Administration 550 Landmarks Blvd. Alton, IL 62002 (618) 463-5946 • FAX: (618) 463-5901 info@riverbendfamilies.org www.riverbendfamilies.org

**Mission:** To empower children and families to develop positive skills to meet life's challenges.

olutions can be difficult to find and even more difficult to put into action. At Riverbend Head Start & Famly Services, we work hard to help thousands of children and families find positive solutions to life's challenges and transform lives.

Unfortunately, we can't solve every problem. It takes the network of Madison County health and human service providers in this book to help all of those in need.

We have found this annual Community Resource Directory to be a valuable tool for parents, caregivers, social workers, educators, health care and administrative staff to use when searching for solutions.

It is our hope that a solution for everyone's challenges lies within these pages. Together we are **teaching children**, **strengthening families** and **enhancing communities**.

Sincerely,

Eugene A. Howell, MPA

# Programs of Riverbend Head Start & Family Services

# Head Start Preschool / Early Head Start

550 Landmarks Boulevard – 3rd & 4th Floor - Alton, IL 62002 (618) 463-5946

Head Start offers child development and family strengthening services for eligible children from birth to 5 years of age, as well as pregnant parents.

Each of the following program options provides quality comprehensive services that include child development, parent engagement, health and nutrition services and family support services. Some transportation is provided. Eligibility is based on need (income, disability, etc.). We administer services throughout Madison County, which include services for more than 600 children and their families.

# **Program Options:**

#### **Home Based**

Year-round service includes weekly 90-minute home visits and 22 Learn and Play groups per year (Expectant families and children up to age 3).

#### **Center Based**

Full Day/Full Year Monday through Friday

Ages 3-5 (Aug. – May; transportation provided)

Part Day/Part Year Monday through Thursday

Ages 3-5 (Aug. – May)

Both options offer year-round family support services.

# How to Use The Community Resource Directory

The directory has a Table of Contents, which lists categories or types of services. What kind of services does your family need? Look for that type of service.

For example: If you are interested in getting a GED, look under <u>Adult Education</u>. Under each category or type of service, you will find a list of the agencies or programs, which provide that service. Locate the page number listed and turn to that page.

Look for the agency located near you. Some agencies will serve all of Madison County while others will serve only a certain area or town. Then, call the agency to see if they have what you want. Be sure to ask how you can get the service.

#### Tips for calling agencies:

- Decide what you need before you call. You may have to talk to several people (many agencies have complex phone systems.)
   For instance, in the case of a GED say "I need to talk to someone who can tell me how to get a GED". Repeat until you get someone who can help.
- Call agencies during normal business hours. Try not to call from 12-1 p.m. (lunch hour). On evenings and weekends for emergency needs, you might try Crisis Intervention agencies or 24-hour hotlines.
- 3. Ask how you get the service. Do you have to come to a certain place at a certain time? Do you need proof of anything, like income? Do you have to fill out an application? Different agencies have different eligibility requirements. If the agency cannot help you, ask them for names of other agencies that can help.
- 4. If you need more information or help, check with a family advocate or teacher of Riverbend Head Start & Family Services.

#### **RideFinders**

One Transit Way - P.O. Box 7500 - Granite City, IL 62040 (314) 321-7433 (618) 797-4600 (800-VIP-RIDE) www.sharetheridestl.org

DESCRIPTION OF SERVICES: RideFinders is the federally funded commuter program. Through RideFinders' free ride matching service, colleagues connect with others who have a similar commute route and schedule. RideFinders' carpool program connects individuals to share a ride to and from work or college classes in their personal vehicles. RideFinders offers a vanpool program for commuter groups of five or more by offering use of a RideFinders' van. RideFinders takes care of all maintenance and provides a gas card for fuel. Drivers ride for free or at a reduced cost in exchange for fueling the vans and reporting monthly mileage to the program. Riders pay a low monthly fare determined by the round-trip daily miles. Each group needs a qualified driver and back up driver. The RideFinders staff do not drive the carpools or vanpools but rather facilitate and support the rideshare groups. Carpoolers and vanpoolers are eligible for four free Guaranteed Rides Home (GRH) each year.

Participants are reimbursed up to four times at up to \$125 per emergency ride each calendar year. Participants submit receipts to RideFinders and may choose to use a taxi, Uber, or Lyft. For those who are already sharing a ride to work visit the website or call RideFinders to get registered for the Guaranteed Ride Home benefit. We find that networking together to job hunt or meet people at your current employer is the best way to make carpool connections or find enough riders for a vanpool formation. RideFinders serves nine counties in Illinois and Missouri. Carpooling cuts costs for commuters and improves regional air quality by reducing traffic congestion on our roadways. RideFinders is funded through IDOT and MoDOT grants.

Visit RideFinders.org, email <u>ridefinders@mct.org</u>, or call (314) 621-7433 for more information. Follow us @RideFinders on Facebook.

Fee: There is no fee for the ride matching service or to sign up for the **free** GRH program. Call RideFinders for more details on the low monthly vanpool fares or learn how to start your own vanpool.
